

ANNUAL MEETING BOURGAS

21-23 MAY 2014

Updated programme + renewed call to register

Dear Members, Associate Members and Guests,

The 51st Annual Meeting in Bulgaria is approaching rapidly.

Both the social and the working programme are in place and our hosts from Multirship Bulgaria are looking forward to offering a great number of our full and associate members an interesting and enjoyable stay in Bourgas.

Those not familiar with the venue will be happily surprised to discover this attractive Black Sea port city's surroundings and hospitable people.

As per tradition, the Executive Committee and Annual General Meetings will be followed by the Conference, upon to all members, both full and associate, covering the theme of Climate Change, high on the agenda of the ETA's concerns:

“Towage facing the Power of Nature and the Force of Laws and Regulations”.

Confirmed speakers are:

Ludovic Laffineur, Belgian Shipowners Association,
“Shipping and the Environment: latest state of play in IMO and EU”

Ali Gurun, Sanmar,
“World’s First LNG Fuelled Tugboat”

David Segbers, MTU,
“How an off highway engine manufacturer finds solutions to meet future environmental legislation”

Haijo Van der Werf, Offshore Ship Designers
“Tugboat Powergeneration meets Environment”

As we will not be able to maintain the contingent of hotel rooms reserved for our guests, we recommend registering without delay if you have not done that yet.

Regarding travel schemes, the organisers suggest to verify the almost daily flights from Amsterdam and Brussels to Varna and/or Sofia and traveling by car from there to Bourgas.

Jetairfly and Thomas Cook offer direct flights to Bourgas from Brussels.

INDICAR is the biggest taxi company in Bourgas.

The company operates also minibusses (7+1) and a number of luxury cars.

It has a specialized department which deals with transfers from / to airports. The company has its own registration form which can be obtained by sending an email to office@indibg.com.

Confirmed sponsors to date are our hosts from Multraship Bulgaria and our associate members DAMEN, SANMAR, SCHOTTEL, SHIPOWNERS PROTECTION and TOS.

Our hosts and the ETA officers look forward to welcoming many of you soon and invite any further questions.
