09.30 Social Day*

Visit to Lipica Stud Farm, where the charms of the place are hidden in the unseen, the stories written by the local history. Only when walking on the historical paths one can truly experience the greatness of the local equestrian tradition. The Stud farm shall be setting up a show and a tour specifically for ETA guests, in what is one of the oldest European stud farm continuously breeding one of the oldest cultural horse breeds.

Lunch at the historical restaurant Suban, founded in 1865. Suban is one of the oldest and most charming restaurants in the Trieste region. Its cuisine has received plenty of national and international awards due to its quality and refinement. The restaurant offers its guests the best tokens of Italian cuisine with an Austro-Hungarian touch and an excellent selection of local and international wines.

The lunch will be followed by a grappa tasting in which, with the aid of a professional taster, we will discover the different tastes and varieties of this traditional liquor.

16.00 Return to the hotel

* Guests requiring an early departure from the Social Day to get to the airport are to advise the ETA secretariat
